Welcome to new members Charles and Carol Abela. We hope you enjoy being members of our society and make many interesting discoveries about your family history.

Eastern Suburbs Memorial Park

Recently our president Lee Bevan has been involved in presenting tours in our local pioneer cemetery. She has been supported by other CBFHS members. Sometimes the weather has been most inclement, but the tours have been very enlightening. Situated in the Cemetery is also a First Fleet Memorial. Well worth investigating and very local to most of us.

May's Hill Cemetery Bus Tour & Heritage Sites of Parramatta

We climbed aboard the little bus and travelled on the new West Connect highway out to May's Hill, where we were treated to a generous morning tea. Then the tour began as we followed our entertaining guide through the cemetery. Later our guide joined us on the bus, as we travelled among the historic buildings in Parramatta. We stopped for lunch at beautiful Parramatta Park. Later travelling back on the West Connect to complete a lovely day.

Suzanne Leal, our guest speaker for June was a compelling presenter with the topic "Why write about the war?" She is an accomplished author who writes both for children and adults as she delves into moral questions. Many of us bought her books at the end of the presentation.

Some of our lucky members attended an **in-service** presented by **Victoria Neville**, sister of Judith who is one of our CBFHS members. Victoria presented several advanced attributes and methods of using **PowerPoint.**
