We would like to express our sympathy to **Nanette Welch's** family and friends on her recent passing. Nanette was an early member of CBFHS. Her house was full of the antiques that she loved. In recent years she has lived on the Central Coast.

Thanks so much for all our members who contributed to the **family history display in the cabinet in Bowen Library**. These objects created plenty of discussion for those who viewed them.

Please remember that our monthly meeting in May is being held in the Bowen Library starting at 1pm.

On 15th April, at our last monthly meeting, **David Rosenburg** presented his new book with the title "Pine Gap" in which he spoke about how he came to work at the satellite surveillance base located near Alice Springs and also about the significance of the site. We were told why having the base in Australia was a perfect choice for surveilling a number of countries which need to be monitored.

Eastern Suburbs Memorial Park have invited Cape Banks Family History Society Inc. to conduct guided tours of the Pioneer Memorial Park as part of the National Trust Heritage Festival. The tours will be conducted over three days on Thursday 4 May 2023, Thursday 11 May 2023 and Thursday 18 May 2023 starting at 10:30am.

Bookings are essential. For further details and to book tickets please visit the ESMP Events website by clicking on the following link: <https://www.smcnsw.org.au/en/events>

Lores [Laurie] Bonney. Cousin to Bert Hinkler and the bored wife to an older businessman, Lores travelled the world solo in a Gypsy Moth in the 1930’s for the fun of flying. She was the first woman to circumnavigate Australia solo, then solo fly from Australia to England and the first person to fly solo from Brisbane to Cape Town via Cairo. She had her share of mishaps and crashes, but she always arrived at the world’s aerodromes looking like she had just stepped out of the beauty parlour. Included in this session is a brief account of our other early Australian aviatrixes.
